春養身心 健味之旅

Spring Vitality for Your Wellness

一元復始，萬象更新，處處生機盎然，乃調和陰陽的最佳時機。春季養生之道，應以「生」為要，宜多吃有助提升陽氣及護肝食材，如竹筍、芹菜、洋蔥等最為合宜。

Spring symbolises renewal and wellness. Incorporating foods that enhance yang energy and support liver health—such as bamboo shoots, celery, and onions—can be particularly beneficial during this season.
